T54178: Adding multiple files

Status	Type	Priority	Estimate
Failed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

-! open program
create file (name to 255, size 50gb)

Steps

	Step	Expected Result
1	click on button "open file"	open dialog window with title "choose files"
2	open source folder	showing a list of files
3	select multiple files in the list	all selected files are transferred to the list app

Results

Failed	*This test was marked as 'Failed'.*
krohaleva_n@mail.ru	
9/6/2022 1:51 PM	

Steps

1 click on button "open file"

Expected Result

open dialog window with title "choose files"

2 open source folder

Expected Result

showing a list of files

3 select multiple files in the list

Expected Result

all selected files are transferred to the list app
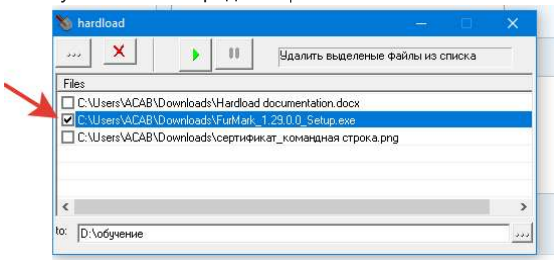

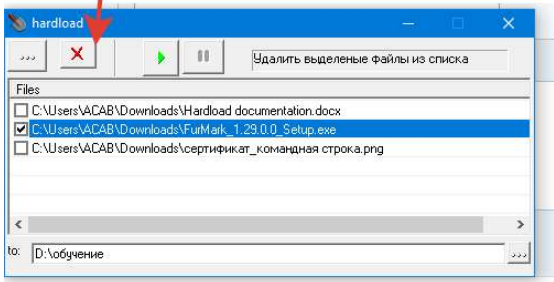

Actual Result

Can't select multiple files at once

T54175: Delete files from the list

Status	Type	Priority	Estimate
Passed	Other	Medium	None
References	**Automation Type**		
None	None		
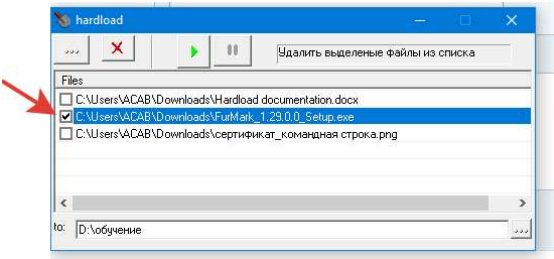

Preconditions

-! open program
- add the selected files to the application

Steps

Step	Expected Result
1 кликнуть на окошко рядом с файлом	в окошке рядом с файлом отразится галочка

Step	Expected Result
2 нажать кнопку "удалить выделенные файлы из списка"	файл удалится из списка

Results

Passed

krohaleva_n@mail.ru
9/6/2022 2:23 PM

This test was marked as 'Passed'.

Steps

1 кликнуть на окошко рядом с файлом

Expected Result

в окошке рядом с файлом отразится галочка

2 нажать кнопку "удалить выделенные файлы из списка"

Expected Result

файл удалится из списка

Passed

krohaleva_n@mail.ru
9/6/2022 1:51 PM

This test was marked as 'Passed'.

Steps

1 кликнуть на окошко рядом с файлом

Expected Result

в окошке рядом с файлом отразится галочка

2 нажать кнопку "удалить выделенные файлы из списка"

Expected Result

файл удалится из списка

## T54169: Copy files from hard drive

Status	Type	Priority	Estimate
Passed	Functional	Critical	None
References	**Automation Type**		
None	None		

Preconditions

- open program
- create file from hard drive (name to 255, size 50gb,
- create destination folder

Steps

	Step	Expected Result
1	click on button "open file"	open dialog window with title "choose files"

open dialog window with title "обзор папок"

5 open destanation folder "path's" from USB flash

Expected Result

path to destanation folder is install

6   select checkbox file and button "начать грузить"

Expected Result

file is on distanation folder from USB flash

1.2. Non-functional test

T54171: Button alignment

Status	Type	Priority	Estimate
Passed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

open program

Steps

	Step	Expected Result
1	view button alignment vertically	buttons to align vertically
2	view button alignment horizontally	buttons to align horizontally

Results

Passed

krohaleva_n@mail.ru
9/6/2022 2:10 PM

This test was marked as 'Passed'.

Steps

1 view button alignment vertically

Expected Result

buttons to align vertically

2 view button alignment horizontally

Expected Result

buttons to align horizontally

T54173: Button size

Status	Type	Priority	Estimate
Failed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

open program

Steps

	Step	Expected Result
1	see button size	buttons are the same size

Results

Failed	*This test was marked as 'Failed'.*
krohaleva_n@mail.ru	**Steps**
9/6/2022 2:10 PM	**1** see button size
	Expected Result
	buttons are the same size
	Actual Result
	buttons of different sizes
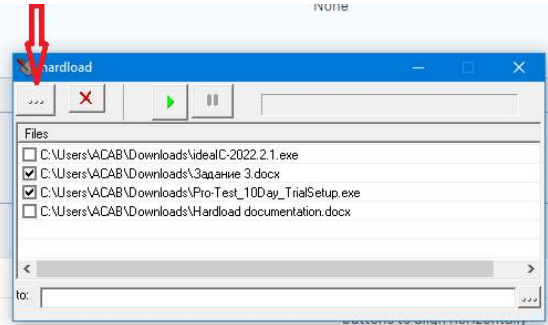

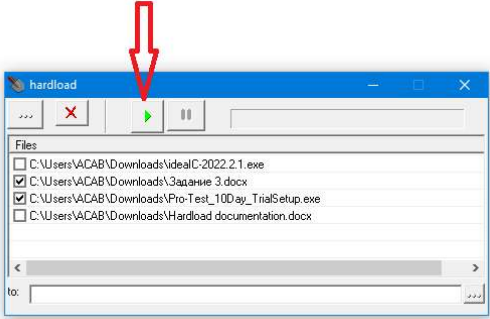

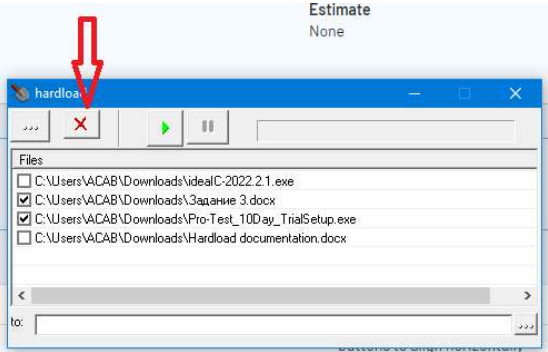

T54174: Button description

Status	Type	Priority	Estimate
Failed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

open program

Steps

	Step	Expected Result
1	move the mouse cursor over the button "..." above	the description is there and it is correct
2	move the mouse cursor over the button "play"	the description is there and it is correct
3	move the mouse cursor over the button "cross"	the description is there and it is correct
4	move the mouse cursor over the button "pause"	the description is there and it is correct
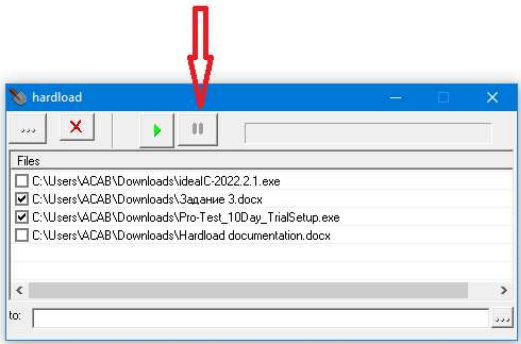

5 move the mouse cursor over the button "..." below　　　　the description is there and it is correct

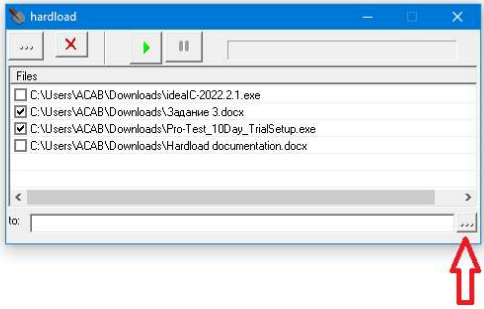

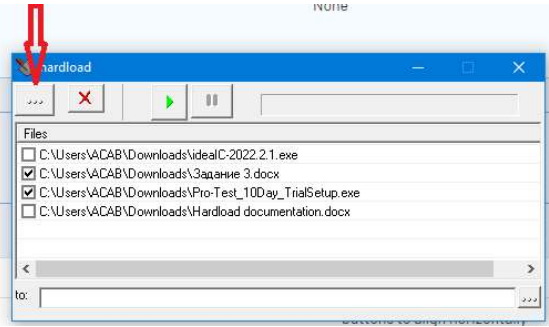

Results

| Failed	*This test was marked as 'Failed'.*
krohaleva_n@mail.ru 9/6/2022 2:12 PM	**Steps**

1 move the mouse cursor over the button "..." above

Expected Result

the description is there and it is correct

2 move the mouse cursor over the button "play"

Expected Result

the description is there and it is correct

3 move the mouse cursor over the button "cross"

Expected Result

the description is there and it is correct

**4** move the mouse cursor over the button "pause"

Expected Result

the description is there and it is correct

Actual Result

описание не отражается, появляется, только при наведении курсора в процессе копирования

5 move the mouse cursor over the button "..." below

Expected Result

the description is there and it is correct

T54170: Grammatical errors

Status	Type	Priority	Estimate
Passed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

open program

Steps

	Step	Expected Result
1	Read description of all buttons	The description is written without grammatical errors

Results

Passed	This test was marked as 'Passed'.
krohaleva_n@mail.ru 9/6/2022 2:12 PM	**Steps**

1 Read description of all buttons

Expected Result

The description is written without grammatical errors

T54183: Check fonts in description

Status	Type	Priority	Estimate
Passed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

open program

Steps

	Step	Expected Result
1	View the font in the description of all buttons	the font in the description of all buttons is the same

Results

Passed	*This test was marked as 'Passed'.*
krohaleva_n@mail.ru	**Steps**
9/6/2022 2:12 PM	1 View the font in the description of all buttons
	Expected Result
	the font in the description of all buttons is the same

1.3. Perfomance test

T54172: Copy 100 failes

Status	Type	Priority	Estimate
Passed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

open program
create file from hard drive (name to 255, size 50gb,
create destination folder

Steps

	Step	Expected Result
1	click on button "open file"	open dialog window with title "choose files"
2	open source folder from hard drive, select 100 files one by one	100 files in list app

5	open destanation folder "path's"	path to destanation folder is install
6	select checkbox file and button "начать грузить"	all 100 file is on distanation folder

Results

Passed

krohaleva_n@mail.ru
9/6/2022 2:13 PM

This test was marked as 'Passed'.

Steps

1 click on button "open file"

Expected Result

open dialog window with title "choose files"

2 open source folder from hard drive, select 100 files one by one

Expected Result

100 files in list app

3 click in box next to the all file

Expected Result

the oll box will be ticked

4 click on button "destanation folder"

Expected Result

open dialog window with title "обзор папок"

5 open destanation folder "path's"

Expected Result

path to destanation folder is install

6   select checkbox file and button "начать грузить"

Expected Result

all 100 file is on distanation folder

T54181: Copy failes over 5gb

Status	Type	Priority	Estimate
Failed	Other	Medium	None
References	**Automation Type**		
None	None		

Preconditions

open program
create file size over 50Gb
create destination folder

Steps

	Step	Expected Result
1	click on button "open file"	open dialog window with title "choose files"
2	open source folder, select files size over 5Gb	file in list app
3	click in box next to the file	the box will be ticked
4	click on button "destanation folder"	open dialog window with title "обзор папок"
5	open destanation folder "path's"	path to destanation folder is install
6	select checkbox file and button "начать грузить"	file is on distanation folder

Results

Failed

krohaleva_n@mail.ru
9/6/2022 3:27 PM

This test was marked as 'Failed'.

Steps

1 click on button "open file"
Expected Result
open dialog window with title "choose files"

2 open source folder, select files size over 5Gb
Expected Result
file in list app

3 click in box next to the file
Expected Result
the box will be ticked

4 click on button "destanation folder"
Expected Result
open dialog window with title "обзор папок"

5 open destanation folder "path's"
Expected Result

path to destanation folder is install

6 select checkbox file and button "начать грузить"

Expected Result

file is on distanation folder

Actual Result

some of the files were copied and the application hung, did not respond

---

Passed
